

We co-pack various products by means of various packaging systems:

**I. Machine packaging:**

- on rolling machines:

**Contract packaging**

- into pre-made pouches

**II. Manual/ semi-automatic packaging:**

We also :

- mix products
- prepare graphic designs
- print foils, labels and cardboard boxes...

**Packagings labelling**

- projecting
- printing
- labeling pre-made bags

We apply self-adhesive labels on a various types of pouches. Our labeling machines apply labels quickly and precisely.

**We provide execution of orders according to individual customer needs.**
